Letter from G.W.Wells Esquire, M.A., I.C.S., - Collector of South Kanara, R.O.C.No.4754/29-A.6, dated the 27th July 1929.

--

The Government sanctioned the alienation of S.No. 116/1 of Shirtadi village, Karkal taluk, in favour of the Parish Union of the Diocese of Mangalore for the construction of a church, a Presbytery, a cemetery and a compound in G.O.No.725 Misc., Revenue dated the 16th May 1925 communicated with R.P.Misc., No.1078 dated the 22nd May 1925 on condition that the buildings should be constructed within a period of two years from the date of the grant. As the buildings were not completed within the time allotted, i.e, 15th May 1927 an extension of two years was granted by - Government

(L)

Government in G.O.No.Misc., 172 Revenue dated the 25th January 1929 communicated with B.P.Misc., No.333 dated 31st January 1929, Land Revenue and Settlement. Taking that this period of two years should count from 16th May 1927, I issued an endorsement to the Tahsildar, Karkal and the Secretary, Parish Union of the Diocese of Mangalore to see that under no circumstances should the work be left ~~unfurnished~~ unfinished beyond 16th May 1929. The Tahsildar reports that the construction of the church is in progress, that only the compound wall and the cemetery have been completed and that six arches on laterite stone - pillars have been constructed. The Secretary, Parish Union of the Diocese of Mangalore also states that the buildings could have been roofed before 16th May 1929 had not a cyclonic storm undone much of the work that was already done and requests that extension of time - till the end of May 1930 may be granted.

I, therefore, recommend that Government may be moved to grant further extension of time for one year till 16th May 1930. A copy of the letter dated the 20th July 1929 from the Secretary, Parish Union of the Diocese of Mangalore is enclosed for reference.

Copy of letter dated 20th July 1929 from the Secretary, Parish Union of the Diocese of Mangalore, to the Collector of South Kanara.

Alienation - Land and Revenue - Karkal taluk - Shirtadi village - S.No.116/1 - Church, Presbytery Cemetery and compound - Parish Union of the Diocese of Mangalore - Non-completion of work -

-:-

It was expected that the Church and outhouses attached to the Presbytery (already constructed) could be roofed before 16th May 1929. But unfortunately the large main central arch of the Church collapsed while - under

under construction and before completion on account of the cyclonic storm during the first half of the last April by the dis-placement of the wooden frame owing to the dashing of the scaffolding against it. This havoc weakened also the rest of the arches and four arches on the southern - side came down at the beginning of the monsoons. Hence the whole thing is a big catastrophe. Reconstruction work will be commenced during the second half of August and before the end of next May, the building will be - - roofed.

It is therefore prayed that an extension of time till the end of May 1930 be kindly granted.
